Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Friday 06 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Unsettled weather continuing this weekend. Drier next week.

This Evening and Tonight:
Risk of locally heavy showers for some. Band of intense persistent rain moving in tonight, continuing through to the morning. Strong winds this evening but easing off as night progresses. Minimum temperature 12 deg C (54 deg F).

Saturday:
Chance of heavy slow-moving showers for most, potentially thundery. Winds remaining light, but breezy in and near the showers. Feeling cool in the showers. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Slow moving showers will continue through Sunday, risk of thunder. Becoming less intense on Monday, with sunny spells between downpours. Turning drier Tuesday, but chance of isolated showers. Remaining cool.
